28313 N 112th Way Scottsdale, AZ 85262

4 bedroom 2.5 bathroom in the Pinnacle Foothills. Current owners spent over \$200k updating house; Venetian plaster, custom floors, new cabinetry, high-end appliances, and much more. Surrounded by gorgeous views, this home has 3300 sqft that includes formal living, dining, and great rooms with fireplace. The gourmet kitchen overlooking the great room boasts stone countertops, stainless steel appliances, and a large island. The master bedroom has a stone fireplace, huge bathroom, walk-in closet, and exit to the patio. The spacious outdoor living space is highlighted by a multi level patio, pool w/waterfall, two fireplaces, turf grassy area, and built-in BBQ.
